# Our Mission

Sunday school works on deepening the knowledge of our Children about God and to strengthen their Christian faith. We work with the next generation to implement in them the right belief and knowledge about Christ and His church.

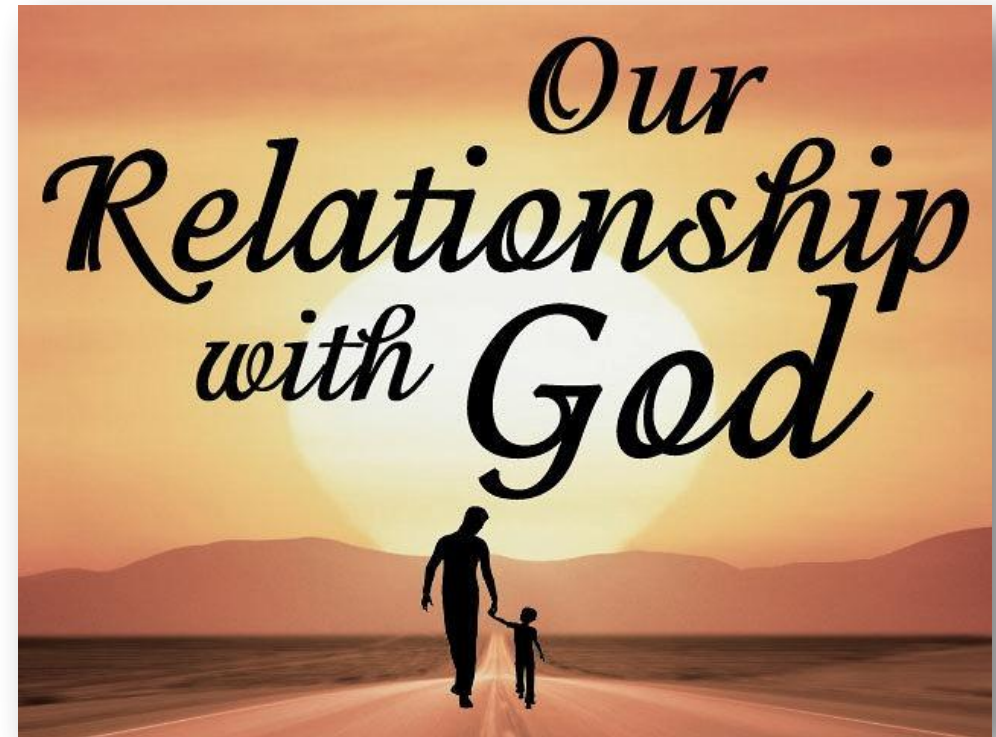

**“Jesus said, ‘Let the little children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these’ ”**

– Matthew 19:14

# What is it all about?

Sunday school is **NOT** just a **service** offered one day a week, but meant to **create a relationship between the child and the servant** leading both of them to Christ.

**We always grow together in Christ!**
